Objective:

Passionate junior front-end developer with a desire to learn and grow in a collaborative team environment. I come from an Electrical Engineering background, with great experience in Software and Hardware Support. I recently finished an Online React Bootcamp and am currently studying Science in Computing at CCT College Dublin. I am sure there are many transferable skills I developed thorough my career and I consider myself confident enough to work as a Frontend Developer based on what I learned and the projects I got involved in so far.

Core Skills:

- Web Development: HTML, CSS, JavaScript, React, Express, Bootstrap;
- Programming: JavaScript, Java, Swift;
- DataBases: MySQL, MongoDB, Node.js, Core Data, Realm;
- Git, GitHub;
- Technical problem-solving ability;
- Logical and Analytical mindset;
- Leadership and negotiating skills;
- Good communication skills;
- Hardworking and quick learning;
- Team-Worker;
- Dynamic;
- Reliable and disciplined;

Education and Training:

- **CCT Dublin College** – Dublin, Ireland - Higher Diploma in Science in Computing (In progress); **NFQ Level 8**
Results: In progress.
- **Online iOS Bootcamp** - iOS & Swift App Development Bootcamp - (2021/02 - 2021/06); **NFQ Level 5**
Results: Certificate
- **Belo Horizonte University Center** – Brazil – Bachelor of Science: Electrical Engineering (2013/01 – 2018/02); **NFQ Level 8**
Results: 1.1 First Class Honours

Employment History:

Job Title: **FrontEnd Trainee - Brainnest**

2022/03-2022/05 (Full-Time)

- Duties: Optimising the user experience. Using HTML, CSS, JavaScript and React to bring concepts to life. Maintained quality assurance through code testing and cross-browser testing. Worked with software development team on reported errors and

bugs on newly released software and assisted in deployment of release fixes.

Job Title: Electrical Technician - Belo Horizonte University Center UNI-BH (Brazil)

2015/04 - 2017/11 (Full-Time)

- Duties: Interpreted electric and electronic schematics to diagnose equipment problems. Documented all maintenance and repairs performed on equipment.
